

DICE BASEBALL GAME

STEP 1 - Both teams roll to see who goes first.
Higher roll wins.

STEP 2 - Pitcher (**home team**) rolls one dice first. Batter (**Visitors Team**) rolls their dice after. If the pitcher's number is higher it's a strike, if it's the same number it's a ball, and if the batter's number is higher it's a hit.

STEP 3 - HIT - On a hit the batter rolls their dice first, followed by the fielding team. If the batters number is higher they advance a base. If the fielding team's number is higher it's an out. A tie goes to the runner. If the batter rolls a 6 and the fielding team rolls a 1 it's a home run.

STEP 4 - RUNNER ON BASE - Once a runner is on base it is up to the batting team if they would like to try and advance another base or have another hitter. If the batting team chooses to advance a base on a hit the batter rolls their dice first, followed by the fielding team. If the batters number is higher they advance a base. If the fielding teams number is higher it's an out. - A tie goes to the runner.

STEP 5 - MORE HITTING - If the batting team chooses to have another hitter follow the previous rules.

STEP 6 - OUTS - After 3 outs teams switch sides and continue following the rules stated before.

STEP 7 - WINNING - After 3 outs switch sides and continue following the rules stated above. After **nine** innings the player with the **higher** score wins.

This game requires 2 dice, 4 markers (dimes or pennies will do)

If you don't have any dice, you can go on to the [Kids Radio Page](#) and there is a template to make cardboard dice
