

Attach Tab B

Attach Tab A

Attach Tab C

Directions:

1. Cut along all thick lines, including slits to separate roof sides.
2. Fold along all thin lines to the back.
3. Punch holes in top tabs.
4. Using tape or glue, attach all tabs to corresponding sides using an uncut sheet as a guide if necessary.
5. Fill with desired goodies.
6. Arrange angled roof sections so they close over blank triangular tabs.
7. Thread yarn or ribbon through holes in tabs on top of roof.
