Unlike the conventional methods of rust proofing which tend to work as coating, a KROWN treatment actually displaces moisture and creeps into the inner metal fold of the vehicle - the areas where the most rust problems start. The KROWN formula remains active as an invisible barrier to repel moisture and salt and prevent it from re-entering the metal. The KROWN product can be applied in any season and weather.

NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

Talk about perfect timing; in the middle of the summer (this Friday-July 17 to be exact) the fine folks at Universal Music Canada remastered and are re-released (on limited 180 gram white vinyl at that) one of Canada's most iconic feel good albums of all time-Trooper's "Hot Shots" greatest hits package. The album was originally released 41 years ago-but this year marks the 45th anniversary of the band-thus the commemoration. The album eventually became the first Canadian one to go 6 times Platinum, and the collection was produced by BTO's Randy Bachman. The band is often described as "Canada's greatest party band" and the songs included here show us why; the track listing is as follows; Side 1: The Boys In The Bright White Sports Car/ Baby Woncha Please Come Home/ General Hand Grenade/ Two For The Show/ Ready/ Santa Maria. Side 2: We're Here For a Good Time (Not A Long Time)/ Oh Pretty Lady/ (It's Been A) Long Time/ Round Round We Go/ Moment That It Takes/ Raise a Little Hell. Founding members Ra McGuire and Brian Smith have been performing together since 1965-and formed Trooper in 1975. When Bachman first heard the band they were

called Applejack; he liked them so much that he signed them to his Legend record label and produced their debut album-thus Trooper was born. Bachman went on to produce a number of the band's follow-up albums, before parting ways. Trooper's music has been a mainstay on Canadian radio stations and Bob Mersereau, in his 'Canada's Top 100 albums' book said: "There are clubs and festivals across the country where the annual Trooper show is practically an official holiday." Under normal circumstances a band celebrating 45 years together would no doubt be doing special gigs across the country; unfortunately for Trooper this pandemic laid waste to such plans and concerts have indeed been postponed or canceled, which is a great shame as Trooper is without question a living legend in the Canadian music scene. Given all that, this re-released album will have to suffice-until the boys in the bright white sports car cruise by, and we get 2 for the show, because it's been a long time since we could raise a little hell live. CBRM Announces Classified, Atlantic Blue for Drive-In Live Concert

TICKETS WILL BE DISTRIBUTED THROUGH CONTEST TO SUPPORT CAPE BRETON MUSIC INDUSTRY COOPERATIVE

Juno Award winning rapper Classified and Tara MacLean's Atlantic Blue will hit the Cape Breton Drive-In this August with two nights of live music as part of Cape Breton Regional Municipality's Drive-In Live concerts, presented by Sydney Credit Union. Atlantic Blue will hit the stage on Saturday, August 22, while Classified will take the stage on Sunday, August 23. Tickets will be free and distributed via an online contest.

Drive-In Live is a free concert event that will also be livestreamed via Makin' Waves presented by Sydney Credit Union's website and Facebook page. Starting on Monday, July 13, at 12 pm, a contest will begin at www.cbrmdriveinlive.ca for free tickets to the event. With current social distancing protocols in place, 200 passes will be drawn.

"With so many festivals and events being canceled this summer, Drive-In Live is a way to bring something exciting and new to our community while continuing to support our event industry," says Joe Costello, Program Coordinator of Arts, Culture, and Creative Events for the Cape Breton Regional Municipality. "The unique setting of the Cape Breton Drive-In allows us to be creative in our presentation, and the livestream will provide an incredible show for viewers at home and away."

Drive-In Live is presented by Sydney Credit Union and produced by the Cape Breton Regional Municipality and Cape Breton Music Industry Cooperative. The concert is brought to you in part by Marine Atlantic, Cape Breton University, Nova Scotia Community College, The Foundation to Assist Canadian Talent on Recordings (FACTOR), the Government of Nova Scotia, and the Government of Canada.

ABOUT ATLANTIC BLUE - A gifted vocalist, performer, and storyteller, Tara MacLean (of East Coast band Shaye) explores the deep roots of the Atlantic Canadian music scene, breathing new life and emotion into treasured songs from such East Coast legends as Gene MacLellan, Gordie Sampson, Sarah MacLachlan, Stan Rogers, The Rankin Family, Rita MacNeil, and many more. Using film for the biographies of these brilliant writers, and live music to illustrate their work, Tara's epic voice transports the audience to a place of deeper understanding and connection with Atlantic Canada and our most treasured music. Atlantic Blue is a captivating experience that is sure to bring Atlantic Canadians together in celebration and solidarity for our way of life and the songs that helped the world fall in love with us.

ABOUT CLASSIFIED - Classified is a Juno award winning hit-maker who has long been making waves at home and abroad with his trademark style and sound. In 2013, Classified released his career defining self-titled album, which features the smash hit "Inner Ninja" (certified 5x platinum). Classified maintains his presence in Canadian music with his new album "Greatful", and reaffirms his legacy with the album's lead single "No Pressure" (peaking at #18 on the Canada Hot 100 radio chart). His current single, "Good News", featuring Cape Breton's Breagh Isabel, hit the airwaves this spring with the message we all needed during this unprecedented time.
