## NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

## Take 2 with PAUL POWER

This is solo album number 12 from Ozzy Osbourne, and where it's been 10 years since his last one it warrants some attention-especially given the recent news that Ozzy has Parkinson's disease, his staph infection, and a fall that required

follow-up surgery. So could this be the last gasp from metal's original Prince of Darkness? By the sounds of things here-not bloody likely. Granted, the lyrics for the album's touching

and spectacular namesake song ("Ordinary Man") do hint at the fact that no matter what Ozzy's done over the years he still feels the need to prove to the world that he matters-not from a sense of vanity, but from one of insecurity, and that is indeed Sir Elton John lending vocals on the song; the Rocketman and the Blizzard of Ozz together on one of Ozzy's most sincere numbers ever. Similarly, on "All My Life" Ozzy looks back at times when he was a sad child; then on "Goodbye" he again carries the darkness with him-but the delivery on the song is pure Iron Man. To that end, "Under The Graveyard" is also a deeply moving track-but menacing in its heaviness, with a great old

school Sabbath feel to it. Moving along, "Holy For Tonight" is about someone on death row who knows "I might have told a million lies, but I'll be holy for tonight." Even though some of the songs here are hard and heavy, as mentioned earlier they carry that undercurrent of emotion and pain. The album's opener, "Straight To Hell" rages hard-but is actually an anti-drug song, featuring Slash's guitar magic. There are also moments of musical mayhem to almost comedic levels; "Scary Little Green Men" waxes on about, yep-alien, and "Eat Me" is not about telling someone to get lost-it's based on the true

story of a German man who posted an ad looking for someone to become a dinner date for him-literally. This whole album owes thanks to the fact that Ozzy's daughter Kelly suggested her dad do a song with Post Malone (at the time Ozzy had never heard of Post), resulting in the big hit here "Take What You Want". Ozzy felt a real connection with Malone's producer, Andrew Watt, and this album is the result. The album closes off with the maniacal, punk rock laced ditty "It's A Raid", featuring Post Malone again-as they pogo and bounce vocally about, of all things, being paranoid (that sounds familiar, right Ozzy?). This is a great album.

## JACK COOL K-LEE RADIO DJ NEWS

Hello everyone, Jack here this week I'm promoting Nightmare on Elm Street up all night 2020. A Nightmare on Elm Street fan film - what can I say, you cannot Escape Freddy Krueger, your best bet is don't fall asleep stay up all night and for goodness sake do not fall asleep.

The

movie Focus around a girl named Marlow who's friends Freddy has killed and what she is

doing is hangs round bars and doing unmentionable things that I can't mention in the paper but the idea of all these things that she is doing is to stay awake so she won't fall asleep that way Freddy won't get her.

The movie is directed by Jeremy Brown who brought you Friday 13th Vengeance fan film last year 2019 stars Matt Shaw Jason Brooks. Brandon "Bugsy" Wilson Strawn. Rebecca Tarabocchia and many more. The movie is going to be very interesting. Have a healthy and safe week everyone, I'm Jack cool

## IRISH JOKES

Two Irishmen, Patrick Murphy and Shawn O'Brian grew up together and were lifelong friends. But alas, Patrick developed cancer, and was dying. While on his deathbed, Patrick called to his buddy, Shawn, "O'Brian, come 'ere. I 'ave a request for ye." Shawn walked to his friend's bedside and kneels. "Shawny ole boy, we've been friends all our lives, and now I'm leaving 'ere. I 'ave one last request fir ye to do.

"O'Brian burst into tears, "Anything Patrick, anything ye wish. It's done." "Well, under me bed is a box containing a bottle of the finest whiskey in all of Ireland. Bottled the year I was born it was. After I die, and they plant me in the ground, I want you to pour that fine whiskey over me grave so it might soak into me bones and I'll be able to enjoy it for all eternity."

O'Brian was overcome by the beauty and in the true Irish spirit of his friend's request, he asked, "Aye, tis a fine thing you ask of me, and I will pour the whiskey. But, might I strain it through me kidneys first?"

Two Irish sports buddies were discussing life after death and if there was any baseball in Heaven. A week later, Paddy died and the next day showed up in Murphy's bedroom. "Well Murph, I got good news and bad news." "Tell me the good news first," says Murphy. "There definitely is baseball in Heaven, says Murphy. "Well what's the bad news?" "You're pitching next Tuesday", replies Paddy.

### WINTER WEARY

I'm winter weary this I know  
still hill and dale wear cloaks of snow.  
March the toughest month of all  
it's been too long since winter's call.  
The wind has teeth or so it seems  
as 'round my shoulders it does scream.

The Bay is frozen, stark and cold  
the view is surely growing old.  
Birch trees reach bare arms in air  
as if in prayer for weather fair.  
And evergreens their branches low  
are waiting for the chill to go.  
Folks do run from shop to shop  
with hooded heads, great angst and so

They slip and slide some broken bones  
weary sighs and winter moans.  
And seasoned noses red as roses  
running much like summer hoses.  
Thus I wait with baited breath  
for warmer days and winter's death.  
To say good-bye to cold and snow  
and dream when green the grass will grow.

## TAX TIPS COLUMN

The Canada workers benefit, formerly the working income tax benefit, is a refundable tax credit available to eligible individuals and families who work, but earn low income.

For 2019 and subsequent taxation years, the Canada Workers Benefit (CWB) will be an enhanced version of the Working Income Tax Benefit (WITB). The CWB is a refundable tax credit that supplements the earnings of low income workers and improves work incentives for low-income Canadians.

The amount of the CWB will be equal to 26% of each dollar of earned income over \$3,000, to a maximum credit of \$1,355 for single individuals without children and \$2,335 for families (couples and single parents). The maximum credit is reduced by 12% of adjusted net income over \$12,820 for single individuals without children and \$17,025 for families.

Your professional tax preparer will calculate the CWB for you with your taxes!
