NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

Atlantic Bubble Explained

Over the next few weeks, we need to monitor COVID-19 cases to ensure they stay low and we have little to no community spread. If we continue to flatten the curve, our first priority is to ease restrictions in our own province, including expanding the family bubble.

Nova Scotia is open to an Atlantic bubble, but we cannot put a date on it until we are sure our case numbers are low and the cases in other provinces remain low.

Currently in Nova Scotia, anyone who wants to come is welcome, as long as they don't have any symptoms of COVID-19 and can self-isolate for 14 days when they arrive. We will decide when to lift those restrictions based on science.

Radio Remotes Planned

K-LEE RADIO is producing the Pig & Whistle Show and broadcasting it on Monday evening at 7:00 pm and again on Friday evening at 7:00 pm.

The show follows a similar format to the original TV show with the Carlton Showband opening the show and playing a song followed by Cape Breton and Celtic songs, a fiddle tune and some local comedy.

When the restrictions for the Corona Virus are lifted, K-LEE RADIO plans to host the show in various Cape Breton commu-

nities to provide free entertainment to families and also record and re-broadcast the show so friends and family "away" can share in the fun.

AROUND THE TOWN

Each week things are looking up and now that restaurants are open for sit down, **harness racing** is starting soon, campgrounds are available and more restrictions are being lifted each week, can't wait until things look a little more "normal.... I was finally able to get my **hair cut**, I was starting to look like one of the characters from Duck Dynasty - but that brings up a good point, **Stan the barber** had to take additional precautions and we both had to wear a **mask** but it wasn't too bad and I really needed that haircut - we are willing to make adjustments if it means we can get additional services open.... **Congratulations** to all those **grading and graduating** - it is too bad there can't be regular Grading Ceremonies and Proms but we just have to take that into stride.... I want to specifically congratulate my grandchildren, **Kate**, who is graduating and plans to attend Dalhousie, **Brielle, Julian** and **Shay** who will be moving into Grade 7, Grade 3 and Grade 1 respectively - **Congratulations** to you all for graduating under trying circumstances.... I will look forward to attending the **harness racing** when it opens, it will be good to get back and enjoy outdoor activities..... the **mackerel** are running but are now scarce, they started off with a bang but now have slowed down but we can still sit outdoors and soak up the sun while we wait.... we are waiting for **restrictions** to loosen up so we can begin our outdoor radio remotes at **K-LEE RADIO** - we have Sing Along Shows, Oldies Shows and Pig & Whistle shows ready to go - it will be nice to get together with all our **Northside** friends again..... The **CBRM Recreation Dept.** had to cancel their popular **Makin' Waves** Concert Series which proved very popular over past Summers but they have replaced it with an alternative, see the story on page 5 for all the details..... Starting June 10 local **Libraries** will offer limited service - Library members with items on hold will be contacted by library staff to arrange a time to pick-up the holds. This will be **contactless** curbside pick-up - This is a welcome relief to Library members - Stay Healthy everybody and we'll get together soon - **God Bless**

Makin' Waves 2020 Canceled, Songwriters Studio and Drive-In Concert to Take Place

When the last notes of Port Cities closed the 2019 edition of Sydney Credit Union Makin' Waves, the countdown began for when our community could again gather for live music in Wentworth Park. With a global pandemic looming, travel and gathering restrictions in place, and the health and wellbeing of our community in consideration, we today announce the formal cancellation of the 2020 edition of Sydney Credit Union Makin' Waves.

All is not lost, however, as the last few months have allowed the Makin' Waves team to reinvent and redevelop plans on how to offer musical experiences to our community.

First will be the Cape Breton University Songwriters Studio: Isolation Edition. Four intimate episodes will delve deeply into the songs and careers of four Makin' Waves alumni: Carleton Stone of Port Cities, Jah'Mila of Jamaica/Halifax, Rosanna Burrill of Halifax's Hillsburn, and Cape Breton born songwriter Greg MacPherson. The weekly series will launch June 25th on www.makinwavesfestival.ca and will be followed by a two part live/digital edition later in the year.

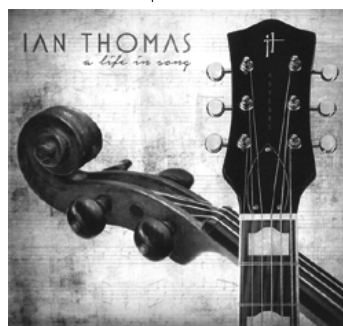

Secondly, the CBMIC Front Stage Program returns to focus on the development of young songwriters in Cape Breton. For 2020, artists selected for the Front Stage Program will work to develop a live performance video as well as an introduction video to use in promotion of their work.

Finally, CBRM Recreation will host a two night live and livestreamed concert on August 22nd and 23rd from the Cape Breton Drive-In. A limited audience will be given the opportunity to watch live from their vehicles as artists bring excitement to the stage, while a global audience will be able to watch from home as the concert is presented online. This event will be free, with ticketing information and lineup to be announced in July.

Sydney Credit Union Makin' Waves and these programs are brought to you by Cape Breton Regional Municipality, Cape Breton Music Industry Cooperative (CBMIC), Sydney Credit Union, Cape Breton University, Department of Canadian Heritage through the Canadian Arts Presentation Fund, and the Nova Scotia Department of Communities, Culture, & Heritage.

Take 2 with PAUL POWER

Ian Thomas's "A Life in Song" was released almost 4 years ago and it was a pleasant surprise; to refresh some memories, Ian Thomas is a Canadian singer/songwriter who came to prominence in 1973 with his hit song "Painted Ladies". Over the years he released 15 albums, had top 10 hits and his songs have been performed by Santana, Chicago, Bette Midler, America and others. Ian also formed the band The Boomers in 1991-releasing 4 albums. He's also comedian Dave Thomas's brother. Ian already had 2

greatest hits albums out, but that's where this new one was a departure-rather than just releasing the 'same old same old' Ian decided to record orchestral reinterpretations of his songs with the acclaimed Prague Philharmonic Orchestra. Ian said; "our goal was to integrate the song right into the orchestra or in some cases to use the orchestra to underscore the lyric," and what we got here was a fresh new take on some of Ian's old favourites, some recent stuff and a new song. As mentioned earlier, Ian's song "Painted Ladies" was his career kickstart, and revisiting the

song was a treat; unexpectedly a harp ushers in the number, as the familiar organ sound on the original version is subdued, but still present. It's a great take on an old classic. Personally I like Ian's song "Right Before Your Eyes" most of all, and to hear this version is magic to the ears. The number is a hauntingly beautiful and emotional ode to a 'love from afar' and how the singer is finally going to take his chance, introduce himself and hope that she feels the same about him.

The other song I would pick as the best here is Ian's classic

"Long Long Way". The original version had an almost funky vibe to it, and that spirit is maintained, but layered with orchestrations

that make the song so much more vibrant and timeless. The new track is "So Cold In The City", and it reminds me of a song Sting or Mark Knopfler would do-and that's a definite compliment to Ian. The song has a lonely and haunting quality to it, but has a tiny glimmer of hope that makes it truly enjoyable and memorable. Without mentioning every song here I do want to give nods to "Pilot" and "The Runner", two of Ian's more well known songs that absolutely sparkle and shine with the new treatments given to them. Simply put-this is a great album.

LIBRARIES PARTIAL RE-OPENING

We would like to thank you for your continued patience and support of the library during this time. We know everyone is eager for the library to re-open.

There are many changes and precautions that need to be implemented prior to re-opening our library buildings. Library buildings will not be open initially but will begin offering limited services starting June 10th.

LIBRARY CATALOGUE: - You will be able to access your online account to see what items you still have checked out and to place new holds on items starting June 10th.

You can check your account by going to cbrl.ca and clicking on My Account. You will need your library card number and PIN to sign-in.

RETURNS: - Book-drops will be available at all branches starting June 10th. For branches which do not have permanent book-drops large bins will be placed outside the branch. To find out what hours the bin will be available please phone or e-mail your local branch. The book-drop at McConnell Library in Sydney is available 24/7 and can accept returns from any other branch.

As a precaution for COVID-19 all library items which are returned will be quarantined for a minimum of 5 days. This means that there will be a delay between when you return your items and when they are removed from your account.

All due dates for items currently out have been extended until June 30th. The library is not charging any late fees at this time.

LIBRARY TAKE-OUT: - Library members with items on hold will be contacted by library staff to arrange a time to pick-up the holds. This will be contactless curbside pick-up.

CBRL continues to offer access to eBooks, eAudiobooks, newspapers and magazines through our online library. Go to cbrl.ca/collections to learn more.

Jack Cool Interview With Benda Lee

I had the pleasure to interview Little Miss Dynamite herself, Brenda Lee. She got her nickname Little Miss Dynamite from a single she had called Dynamite and of course, her 1958 Christmas song Rockin Around The Christmas Tree which is written by Johnny Marks.

She earned more Hot 100 singles in the United States – 46 – than any recording artist besides the Beatles, Elvis or Ray Charles, and she has sold more than 100 million records worldwide throughout her career.

If you'd like to listen to my interview, I did with Little Miss Dynamite herself, please go to https://www.mixcloud.com/jack_cool/my-interview-with-singer-brenda-lee-june-11-2020/

Brenda is a down-to-earth person who loves and thanks the people, disc jockeys, singers and writers who got her where she's at today. Have a great week everyone - Best, Jack

TAX TIPS COLUMN

New tax filing and payment deadlines

The deadline for most individuals to file their 2019 taxes has been extended to June 1, 2020. The deadline to pay amounts owed has also been extended to September 1, 2020. Penalties and interest will not be charged if payments are made by the extended deadlines of September 1, 2020. This includes the late-filing penalty as long as the return is filed by September 1, 2020.

If you, your spouse, or your common-law partner are self-employed, you still have until June 15, 2020, to file your taxes. However, your payment deadline has also been extended to September 1, 2020.

For those who have to pay by instalments, the June 15, 2020, payment due date has also been extended to September 1st. Instalment penalties and interest will not be charged for this payment if it is made by the extended deadline of September 1, 2020.

For more information on the filing and payment deadline changes due to COVID-19, go to Income tax filing and payment deadlines: CRA and COVID-19.

Why file by the deadline if no payment is due until September 1?

Filing by the deadline will minimize impacts to your benefit and credit payments. If your 2019 return has not been assessed by the CRA, information from your 2018 return will be used to calculate benefit and credit payments until September 2020. That will ensure you continue to receive important payments that will help through the COVID-19 crisis. However, you may not be getting exactly the right amounts. By filing a return by the deadline, you will minimize this impact. Also, if you are owed a refund, the earlier you file, the earlier it will arrive in your pocket. By registering for direct deposit, you'll get your refund even faster.

We have resources to help you file:

Get Ready to do your taxes – get helpful information to start the return filing process.

Doing Your Taxes – a step-by-step guide on completing and sending your taxes to the CRA.

NETFILE certified tax software – find certified tax software you can use to file online, some of which are free.

Virtual tax clinics – community organizations are hosting free virtual tax clinics where a volunteer can help you file your return by telephone or using a video conferencing application.
