**NEW DECOMPRESSION TABLE RELIEVES PAIN**

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

## JACK COOL K-LEE RADIO DJ NEWS

I had the absolute honour and pleasure of interviewing Neil Diamond tribute artist Jay White. Jay has been a Neil Diamond tribute artist since 1983 and he does a fantastic and phenomenal job performing the songs of Neil Diamond.

How good is Jay performing the songs of Neil Diamond? Well let me put it to you this way - in 2008 director Ron Howard

who was directing a movie called Frost Nixon was convinced that they had found a 1970s error, Neil Diamond and Jay got to play a small part as Neil Diamond in the movie and the rest is history and he's got to play at more concerts than you can shake a stick at.

Even Neil Diamond himself said to Jay keep up the good work so I can stay home and relax.

Jay White is 100% the next best thing to seeing Neil Diamond on stage Jay is going to be in a movie this year called Whatever Happened to Bobby Drake Starlight. Jay White is cast as Bobby Drake, also starring

King Erickson as Cosmo, Bobby Drake's best friend. Many more great cast members. King Erickson join Neil Diamond's band as his percussionist in 1976. Jay met King Erickson 15 years ago. The movie Whatever Happened to Bobby Drake Starlight is about a singer named Bobby Drake who had a career in the early 70s then one particular day, he gets into a serious motor-

cycle accident then after that, he's away for too long and his record label drops him. To find out more, listen to the interview

please go to [https://www.mixcloud.com/jack\\_cool/iinterview-with-neil-diamond-tribute-artist-jay-white-aug-18-2021/](https://www.mixcloud.com/jack_cool/iinterview-with-neil-diamond-tribute-artist-jay-white-aug-18-2021/) or [https://www.mixcloud.com/jack\\_cool/iinterview-with-neil-diamond-impersonator-jay-white-aug-18-2021/](https://www.mixcloud.com/jack_cool/iinterview-with-neil-diamond-impersonator-jay-white-aug-18-2021/) or you can email [djjack@gmail.com](mailto:djjack@gmail.com) and I will email you a copy. I do have information on when the movie is going to be premiering but I'm going to promote that when we get close to the date. Special thanks to the director of Whatever Happened to Bobby Drake Starlight, Steve Tatone for arranging this interview, thank you so much, Steve, I really appreciate it this is Jack saying have a good week everyone.

# SECURE THE FUTURE SYDNEY-VICTORIA VOTE **Eddie ORRELL**

*Eddie Orrell, Conservative Party of Canada Candidate for Sydney-Victoria in North Sydney with Canada's Marine Atlantic in the background*

## **Eddie Orrell: Ready to Fight for the People of Sydney-Victoria**

The Conservative Party of Canada candidate for Sydney-Victoria, Eddie Orrell, says "the people of Sydney-Victoria deserve an elected representative who is present and aware of their concerns. They deserve someone who will stand up and fight for them."

Born and raised in North Sydney, Eddie is an active member in his community and he hears frustrations and concerns every day. He says, "People are worried about the future. They are worried about their health, safety, security, their jobs, businesses and pensions. COVID has only added to the stress and the strain."

However, the father of two also says, "for the first time in a long time, there is hope."

With Erin O'Toole you get Canada's Recovery Plan to get our county back on track. It shows real promise for Sydney-Victoria.

Eddie says "I encourage people to learn more about the plan because it is a game changer for Cape Breton. From ensuring tourism supports, to making internet accessible for all residents, to providing incentives for innovators to create and produce in Canada, as well as doubling funding for small craft harbours; the Plan has a lot to be excited about."

Eddie Orrell says "as part of Erin O'Toole's team I will be accessible to you, ready to hear you, ready to stand up and fight for you and your family's future."

*Eddie Orrell with members of the North Sydney Community Food Bank Society*

## **The Cost of Living Continues to Rise**

The last few months have seen an alarming increase in prices. With inflation rising, people are struggling to make ends meet. It's been especially difficult for low-income families, seniors and others on a fixed income. We see the effects here. Our local food banks have, over the years, transitioned from a place to help folks who find themselves in need from time to time to an absolute day to day necessity.

Eddie Orrell says "We have some incredibly wonderful people who give their time, energy and their own money to keep food on the shelves for our vulnerable population, however, the need keeps growing. That's not how it Should be."

Canada's Conservatives have a detailed plan to lower prices and help those who need it most and it starts with a GST holiday this fall. To help families save some money and help our hard-hit retail stores recover, all purchases made at retail stores will be tax free for a month.

The Conservative plan will protect pensions, increase the Canada Worker Benefit, and put consumers first by increasing fines for price fixing.

For decades Jackson Browne has been recognized as one heck of a singer/songwriter. As a matter of fact he helped the Eagles write their first hit song "Take It Easy", then released his own hits such as "Doctor, My Eyes", "The Pretender", "Running On Empty", "Somebody's Baby", "Lawyers In Love", "Tender Is The Night" and many more singles and albums. His songs were the soundtrack for the end era baby-boomers and the Gen X generation. The late 1970's and the 1980's were a particularly good time for Jackson and his music but since 1989 he has only released 6 albums-including this one, so it's great to hear new material from Jackson again. This, "**Downhill From Everywhere**", is Browne's fifteenth studio album and as soon as I heard the first track it was an immediate flashback to the 1980's, with Jackson saying that even at 72 years of age "I'm Still Looking For Something" is a common thought for him. Many of the songs here are introspective-but not maudlin: "Minutes To Downtown" is an ode to a 'May to December' romance, with Browne saying "I think that desire is the last domino to fall". This song in particular

highlights Browne's lyrical ability. As in the past, Jackson continues with his social commentary songs such as the country-rock tinged "Until Justice Is Real", and the Latin-influenced number "The Dreamer", about an undocumented immigrant. There's also particular relevance in the track "A Little Soon To Say", as Jackson wonders whether today's youth are capable of making the changes needed for them to continue in this modern world. Rock and roll makes its presence known more so with the songs "My Cleveland Heart" and "Downhill From Everywhere" (which sounds a lot like a Steely Dan number). The album closes off with the sultry Spanish-influenced number "A Song For Barcelona" and it's a great way to finish out the set. By definition Jackson Browne is a baby-boomer-and as mentioned earlier, for many people he helped chronicle and mark so many special moments in music. It is good to hear from him again.

## Clifford Street Youth Centre

Clifford Street, as a youth centre, opened in 2009. Quite by accident and observation, what began as a temporary public meeting place for adults evolved into a leading edge "safe haven" for Northside children of all ages

Driven solely by the needs of the "under 18" children who attended, Clifford Street became an entirely FREE resource helping to reduce the Northside 43% child poverty rate downward to 36%!

Food insecurity was and remains the number one issue. It is followed with other necessities such as socks, oral hygiene, footwear, winter coats, raincoats, furniture, pillows, blankets, beds, and more. Anxiety related to food insecurity / no cloth lunches is a real problem faced by real families in your neighborhood.

While other youth groups receive several hundreds of thousands of dollars in annual funding, Clifford St defies convention by existing on less than thirty thousand! [ we dream of fifty thousand per year ]. We are FREE of any charges to our clients. Any perception of a cost immediately creates a barrier for the 40% children living in poverty; a barrier to the future.

40 % child poverty in the CBRM... , four out of ten, almost half... when does the number of 40 percent of all children living in poverty on the Northside cause us to respond with resources?

Clifford Street has opened every day we are allowed while Covid ravaged our country. Providing at least one meal a day, computer access with internet, and mentoring with staff who are committed to their wellbeing.

Clifford Street has been a safe haven to children of the Northside for close to fourteen years and now needs your help to continue to operate. Please donate today.
