NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

THE BENCH

Our Legion bench was a meet-
ing place every weekday morn-
ing for four old soldier's, Joe,
Archie, Ray, Barney.

Where they would sit and yarn,
oh how they would yarn. Our
Legion bench lies empty now
only to be occupied by the cool
rains of Summer and the impend-
ing blasts of Winter, empty for
these old soldier's who answered
the last bugle call, marched to
Heaven's Gate, set up bivouac
and I'm sure Saint Peter provided
them with a heavenly bench
where they would sit and yarn,
oh how they would sit and yarn.

PAUL POWER

The other day I watched a great movie Called "Vinyl", based on a true story. The Alarm are an amazing rock band from Wales who formed way back in 1981 and were most popular in 1983, with songs like "68 Guns", "The Stand" and "Strength". They were so similar to early U2 that U2 had the band open for them on North American tours. Two decades and a number of albums later lead singer/founder Mike Peters told the BBC that the band was not being taken seriously by DJs because of the band's age and their outdated image, and he wanted to have their songs judged by musical value alone. So one of the best hoaxes in music history was played on the British music bizz-The Poppy Fields. In 2004 The Poppy Fields were a fictitious teenage rock group created by The Alarm, and TPF scored a hit with the song "45 RPM" (which was actually recorded by The Alarm). Mike Peters hired a young band from Chester, England called the Wayriders to lip-sync in the music video, and pretend to be The

Poppy Fields. The band even did a cover of The Alarm's "68 Guns" (which was actually a re-recorded version by The Alarm). Record label execs loved The Poppy Fields and tried to entice The Poppy Fields into recording an album called "In The Poppy Fields", with the single "45 RPM" as the advance release. The song entered the British Top 30 charts and rave reviews followed, comparing The Poppy Fields to The Clash, The Sex Pistols and Rancid. Only afterwards was it revealed that the whole thing was a hoax, proving that The Alarm's music was still indeed fresh. The Alarm managed to show that the decision-makers in the British music industry were a bunch of wankers. After that the movie "Vinyl" was released, featuring renowned British musician/actor Phil Daniels in the lead role, with Mike Peters in a cameo. For music fans this is a great watch.

**ST. ANDREW'S PRESBYTERIAN CHURCH ANNUAL YARD SALE**

Well the congregation of St. Andrew's maybe a little later this year with their Annual yard Sale but none the less they are putting in a lot of time and work into getting their Annual yard sale ready for the Labour Day Weekend.

Usually the St. Andrew's Presbyterian Church Annual Yard Sale is the first week of July each year, but this year it was decided to hold it on the long weekend at the beginning of September. Also, like last year, the committee decided to hold it inside the church hall because in past years some days were a might chilly and manpower is getting less and less as our congregation ages.

Last year's Yard Sale was a big success and there was a huge amount of things donated from the congregation. Not only does the congregation donate items but friends and family members of the congregation as well, which is fantastic. This year we have surpassed last year's amount said Rita Johnston, one of the yard sale organizers. People have been so generous in giving us things that are practically new. There are a lot of nice items and we have marked them low because we want them "To Go". At the end of last year's sale whatever was left over was donated to Community Cares and St. Vincent DePaul for their sales. It's not only about raising money to help our church, it's about helping others in our community in any way we can. So if we didn't sell it then someone else could possibly benefit from the items.

This is one Annual event you won't want to miss and we will even have some BBQ hotdogs grilling on the old barbeque just for you, if you get hungry while picking your way through the tables. So save this date on your calendars.

Here are the details:

Who: St. Andrew's Presbyterian Church Sydney Mines

What: Our Annual Yard Sale

When: Saturday, September 2nd from 10 a.m. to 2 p.m.

Where: 643 Main Street, Sydney Mines (in the church hall)

Why: Money raised goes in support of our beautiful church to keep it open in our community.
