Unlike the conventional methods of rust proofing which tend to work as coating, a KROWN treatment actually displaces moisture and creeps into the inner metal fold of the vehicle - the areas where the most rust problems start. The KROWN formula remains active as an invisible barrier to repel moisture and salt and prevent it from re-entering the metal. The KROWN product can be applied in any season and weather.

NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

"Gotti" - The last few reviews I wrote were for sci-fi or horror movies, so it's a nice change of pace to take a look at a big box office biographical crime drama, starring John Travolta in a stellar portrayal of John Gotti-the boss of the Gambino crime family in New York city. At his peak Gotti was one of the most powerful and dangerous men in the United States, and the Gambino family was the biggest crime syndicate in the country. Gotti was not shy of attention becoming known as the "Dapper Don" for his expensive clothes and his larger than life persona with the media. He was also called "The Teflon Don" for avoiding criminal convictions-but not for long. Speaking of clothing, Travolta even wore Gotti's checkered tweed overcoat in some scenes, saying that he could still smell Gotti's cologne off the coat-he also wore some of Gotti's neckties. Did that authenticity help Travolta become John Gotti on-screen? Definitely-the resemblance is amazing and even more with Travolta's mannerisms, as if the ghost of John Gotti possessed him.

Being a biopic the film has to be as authentic as possible; it starts close to Gotti's end where John Gotti Junior is visiting his father in prison. The senior Gotti is dying of throat cancer and the son is there to explain why he is contemplating

accepting a plea bargain for testimony about the crime syndicate in exchange for lesser time served in prison.

Gotti senior lived and died by the old mob code, and he was basically looked on as a local hero by the neighborhood, and only 'whacked' or hurt bad people. John Gotti wanted his son to live by that credo as well. For Gotti Jr. though it was more important to spend as little prison time away from his wife and children as possible, and possibly redeem the Gotti name. John Gotti Jr. was indeed a "made man" and was in line to take over the family business-so he knew where 'the bodies were buried' as they say. He did end up serving a total of 9 years in prison-

being released in December of 2009. His father died in prison on June 10th, 2002.

Here's some interesting trivia about the movie; Pitbull was so amazed by a photograph of Travolta as Gotti that he asked if he could be included on the soundtrack-and he was. Gotti family members were on-set during the production, and provided family videos for reference. Lindsay Lohan was supposed to be in the film but was too difficult to work with-so they canned her. I could spend the next hour writing about this movie, but mere words would not do it justice. The film is one of the best 'true life' productions I have seen in quite some time, a great look at the old days of the mafia. Watching this is an offer you can't refuse.

BARTOWN FLASHBACK 1949

Arriving in North Sydney from Iona CB in 1949 my first memory of The Bar Town was a walk down its, Mainstreet .Starting at Jackson's Market,

I passed by St. Matthew Wesley United Church, Post Office, Cable Office, LA Steele Motors, Quality Store, Owl Drug Store, Paddy Keagan's Barber Shop, I glanced at Pilkintons, Chamber's, Tobacco Store, Balha's Confectionary Store, the Odeon Theatre, Lemoine's Grocery Store, Thompson and Sutherland, 5 and 10, Fred MacLeod and Son clothing store. Proceeding on, Whitman's clothing, Nelson Rice's Drug store, John Mac Donald's, New Medical Hall, L A Steele Service Station, Jimmie Shebib's Barber Shop, Rahey's Sanitary Market, Vooght Building, Housing Grant's Jewellery, Charlie Miller's Herald Print and Liquor Store, Naddaf's clothing, Dooley's Funeral home, Grant's Hotel, Phil Kasouf's, Maple Bud, and Nova Grill Restaurant.

Crossing Commercial street I made my way past Northside Motors, Clare Fianders store, Town Hall Housing Police Station, Aster Gardens, Arnold

Mac Cready's Blue and White Restaurant, Hec. And Rollie MacKinnon's Barber Shop, Canadian National Telegraph, Knights of Columbus up stairs, Fire Station, Blue and White Taxi, Marine Railway, Ballast Grounds, Ike Greene's Barber Shop, Christies Tea Room, Ingrahams clothing. Completing my tour made my way up King Street to my home ,with Bar Town Walk 1949 fresh in my mind.

CBRM COMMUNITY NEWS ITEMS

The Front Street Frolic is a way to promote business in Downtown North Sydney and keeps the community involved and active in the town's events! The festival would be held on the 1st of August, 2018 from 6:00 PM to 9:00 PM on Commercial street in Downtown North Sydney from Blowers Street to Archibald Avenue.

The purpose of the festival is to get people of any age, race, culture, sexual orientation, and background to become more interested in what small businesses in the community have to offer; to show the diversity in our welcoming community of all backgrounds; and to celebrate our differences and to host a community event to bring people together.

At last year's Front Street Frolic, we had over 1000 people attend to visit the street festival! At this year's event we will have live music, vendors, a karaoke section, potentially a beer garden, food trucks, a first aid and lost and found station as well as lots of activities for children (face painting, a bouncy tent, balloon

animals, and a variety of games) and lots of volunteers to help keep people organized and to answer any questions!

The Barra MacNeil's - On the Bright Side Tour (Hometown Concert)

Earlier this year The Barra MacNeil's released a new album "On the Bright Side" and were touring across Ontario and have made their way back to the Maritimes. With only 3 performances in Cape Breton this summer, St. Andrew's Presbyterian Church in their hometown of Sydney Mines with its theatrical seating and warm atmosphere is one location they have chosen to perform songs from their new CD along with some traditional music.

On Wednesday, August 1st at 7:00 p.m. they will take the stage once again for their loyal fans in Sydney Mines and surrounding areas and will be singing songs from their new CD. Their new CD "On the Bright Side" features lively fiddle tunes, jigs, and so much more. You will hear songs like "Living the Dream", "The Way Old Friends Do", along with jigs and reels and there will be solo's, family harmonies and of course step dancing. It will be an evening that will get your hands a clappin' and your feet a tappin' as they perform all your favorites along with their new material. As always they will leave their audience wanting more. If you have family coming for a visit this summer you may want to let them know of this fabulous concert, it's one they won't want to miss. If you or any member of your family are Barra fans, this is the concert for you.

Tickets are \$30 and can be picked up at Shoppers Drug Mart in North Sydney or at Pharmasave in Sydney Mines. If you are unable to get to these locations, simply RESERVE yours at the door by calling Rita at **902-736-2508** or emailing f.johnston@bellaliant.net or use the web at <https://barramacneils.com/2018/06/august-1-2018-on-the-bright-side-hometown-show/>
