### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

## TWO DAY EVENT WILL BE EXCITING HUB OF ACTIVITY FOR CANADA DAY IN CBRM

The long term forecast is calling for a Canada Day weekend full of excitement and activity in the Cape Breton Regional Municipality (CBRM). Highlighted by the STIHL Timbersports Canadian Champions Trophy competition, CBRM Recreation today announced that the two day event will also feature live music, family activities, street performers, and fireworks over Sydney Harbour. The event will be the exclamation point on an exciting weekend of community celebrations across the region.

Beginning Sunday, June 30th, the Port of Sydney will be a hub of activity with activities beginning at 12 pm. The event will feature an epic Adventure Centre, complete with bounce activities, obstacle course, Velcro wall, mechanical bull, and more. Chalk Master Dave will be on hand creating stunning 3D chalk art as seen on the Sydney Waterfront in 2017. STIHL Timbersports Canadian Champions Trophy will have their qualifying round on site in the afternoon, and activities will continue with an escape room, street performers, and more throughout the day. As the night begins to fall, join us at the Canada Day Eve After Dark stage with DJ NDN, founding member of A Tribe Called Red, on the stage spinning unique tunes and fire performers adding to the excitement.

Monday, July 1st, will be the piece de resistance as STIHL Timbersports Canadian Champions Trophy brings the finals of Canada's elite logger sports series to the Port of Sydney. The event will feature the 12 best STIHL Timbersports Canadian athletes in an elimination bracket format where the winner moves on to the next round and the losing athlete is sent home.

Following the finals, get ready for a summer party like no other with 3 time Canadian Country Music Association (CCMA) Award winning artist Jason Blaine. Having hit the mainstage at every major festival across Canada including Cavendish Beach Music Festival and Boots and Hearts Festival in Ontario, Blaine is known for his hits like "Country Side", "Cool", and 2012 Single of the Year "They Don't Make 'Em Like That Anymore." Supporting Jason Blaine will be local favourites and Canadian rising stars Pretty Archie. Pretty Archie released their most recent album, "Hanging On," over the winter and are set for a full sleight of shows across Canada this summer. The band always has the audience up and singing along with their catchy blend of Canadiana and Bluegrass music. The night will close with a stunning fireworks display over Sydney Harbour at 10pm.

Canada Day Weekend at the Port of Sydney is hosted by CBRM Recreation and made possible in part by the Government of Canada through their Celebrate Canada Fund. Event partners include McKiel Marine, Flavor, and the Atlantic Canada Opportunities Agency (ACOA).

## NORTHSIDE COMMUNITY NEWS

*Congratulations!*

A lot of you may have met us before, but let us introduce ourselves.

We are Kyle and Ashley Ryan- daughter and son in law to former owner Roddie MacKenzie, and pictured here with us is our daughter Neico. We are no strangers to the store as Kyle has been in the position of Grocery Manager and Ashley in Admin.

We will be bringing you the same great service that the store is known for, surrounded by the same fantastic staff. We are confident to say that we have learned from the absolute best- Dad/Roddie.

We are very grateful to be given this opportunity and look very forward to many years serving the great community of Sydney Mines. It is a very exciting day for our little family. Neico was the first person through the doors when her Daddy opened them and she proudly rang the first customer through.

Thank you to our family, friends, and our staff for your support today as we begin our new adventure!

## BY PAUL POWER

### The Rolling Stones - "Honk" -

I think the first question that  
needs to be asked is "do we  
really need another Rolling  
Stones greatest hits package?"  
One could answer "if you don't  
want it-don't buy it, or listen to it-  
right?". Yet here we are-with  
"Honk", a best of collection with  
tracks from every Rolling Stones  
album from 1971 to 2016. There  
are a number of buying options  
for "Honk"; firstly, the 3CD  
and digital version both  
have 36 songs-  
including  
"Brown Sugar",  
"Tumbling  
Dice", "Angie",  
"It's Only  
Rock'n'Roll  
(But I Like It)",  
"Fool To Cry",  
"Miss You", "Emotional Rescue"  
and "Start Me Up" just to name a  
few. There's also a single CD  
version available, and a 2 record  
vinyl version to appeal to record  
collectors. The bonus disc of the  
3CD edition includes 10 live  
tracks recorded at sold-out  
stadiums around the world  
during the band's recent tours,  
with some very special guests  
along for the shows; songs  
include "Dead Flowers" with  
Brad Paisley, "Bitch" with Foo  
Fighters frontman Dave Grohl,  
a wonderful version of "Wild  
Horses" with Florence Welch  
and "Beast Of Burden" with Ed  
Sheeran are the enticements

here. More recent recordings  
include some of the band's  
2016 "Blue & Lonesome"  
album songs; "Just Your Fool",  
"Ride 'Em On Down" and  
"Hate To See You Go" top off  
the collection nicely. In addition  
to what I wrote earlier, for the  
die-hard Stones fan there's a  
Deluxe 4LP coloured vinyl set,  
featuring the 36 studio tracks  
and the bonus 10 live tracks.  
It's housed in a special slip  
box, and is available  
exclusively through Music

Vaultz.com.  
Canadian fans  
can get a  
limited-edition  
Fan Pack  
version of  
"Honk" that  
includes the  
standard CD  
edition, an  
exclusive pair  
of sunglasses  
and an

exclusive beverage koozie-  
both adorned with the Rolling  
Stones' Tongue logo. This  
release was planned to  
coincide with the Rolling  
Stones tour that was  
supposed to start on April 29,  
but 75 year old Mick Jagger  
had a health scare (and  
subsequently heart surgery)  
and the tour was postponed.  
So, between now and then die-  
hard fans will have to settle for  
this latest release. To be  
honest though-if ya have a  
Stones greatest hits package  
already, you can live without  
these release options-unless  
you're thinking "I know it's only  
rock and roll but I like them, love  
them, yes I do".

## TAX TIPS COLUMN

### When is my return due?

Your income tax return is due on April 30 each year, or June 15 if you or your spouse ran a business in the year, although if you owe tax your payment is due on or before April 30. If you owe taxes, make sure your return is transmitted or postmarked before midnight on the due date to avoid late-filing penalties and interest.

### What happens if I file late?

If you file your return late and you owe taxes, you'll automatically be charged a penalty of 5 percent of your balance owing. On top of that, you'll face a penalty of 1 percent of the balance owing for each month your return remains outstanding, to a maximum of 12 months. And don't forget the interest: the CRA charges interest, compounded daily, on outstanding balances and penalties.

### Can I change my return if I find a mistake?

Yes, you can file a T1 Adjustment using form T1-ADJ, "T1 Adjustment Request," to amend your return for any mistakes you may find after the fact. You can also request changes online under the "My Account" online. Most taxpayers are encouraged to speak to their tax professional to file an adjustment to ensure that all required lines are changed in the adjustment request.

### What If I Can't Afford to Pay the Tax I Owe?

Even if you can't afford to pay the income tax that you owe, you should file your tax return by the annual deadline of April 30th in order to avoid any late-filing penalties.

The late filing penalty is 5% of the balance owing, plus 1% of the balance owing for each full month that your return is late, to a maximum of 12 months (that would be a total penalty of 17% of the balance owing). If you have incurred late-filing penalties in any of the three preceding taxation years, your late filing penalties are doubled. So if you're late year over year, you're going to cause some pretty hefty penalties!

After you file your tax return, you will be sent a Notice of Assessment from CRA which shows the balance of tax owing. After the payment deadline, interest will accrue on this balance at the CRA prescribed rate of interest, compounded daily. The current interest rates can be found on the CRA prescribed interest rates page.
