### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

We've got your back!

Welcome to another "Take 2", where the goal is to find lesser-known, not always mainstream, occasionally bizarre, weird or just wonderful eye-treats for the viewing screen of your choice.

I do sometimes rave about a series that really grabs my attention-but this time it's without a doubt about the best TV show that I have ever seen, next to "Sons of Anarchy" and "Game of Thrones."

"Roadies" is a Showtime series created by Cameron Crowe, and he's a big part of what makes this program so awesome; Cameron Crowe writes for Rolling Stone magazine, screen wrote the movies "Fast Times at Ridgemont High", "Say Anything", "Singles" and "Almost Famous", which is about a rock journalist who goes on the road with a famous rock band, based on Crowe's time spent with Poco, The Eagles, Lynyrd Skynyrd, Led Zeppelin and The Allman Brothers.

That experience perfectly shaped the style of "Roadies", which features Luke Wilson (Bill) and Carla Gugino (Shelli) in the lead roles as the managing glue that holds together an interesting ragtag, motley crew of roadies and techs for The Staton House Band as it tours across The United States. Sounds pretty

straightforward, right? Nope! I have done some roadie work in my younger days, and have been behind-the-scenes at many big name rock concerts producing television programs, and CHAOS is the norm. In "Roadies" when things are going too good Bill gets that dark feeling that something bad is just waiting around the corner-which leads to some very funny and/or strange moments. Not to mention that Bill and Shelli have a slow-burning love for each other-but alas, she's married.

In the series cameos abound; Lindsay Buckingham, David Spade, Halsey, Jim James, Rainn Wilson, Jackson Browne and many more drop by to sing, or just play themselves; that is the surprise treat each episode. John Mellencamp and Eddie Vedder's appearances were truly brilliant.

I watched all 10 episodes in the series, and right from show #1 I was hooked, but episode number 8 "The All Night Bus Ride" was the epic moment as crusty old "seen it all done it all" roadie Phil (played to perfection by Ron White) tells the tearful tale of his early days with Lynyrd Skynyrd, right up to that fateful airplane ride on October 20<sup>th</sup>, 1977 that changed rock and roll history. The show is a tearjerker, and wonderful. That's what's so great about "Roadies"-it's as genuinely rock and roll as a bottle of Jack Daniels. In closing, to paraphrase a Joan Jett song lyric, "I love rock and roll, so take a little time and watch Roadies baby"

## NEW BUSINESS RELOCATES IN NORTH SYDNEY

There's a new business re-located in the north Sydney Mall and it caters to young families and will be a good place for children and adults alike to enjoy some clean family fun now that school will be out for the year very soon.

Mother's Putter, a glow in the dark mini putt course, is now open in the North Sydney Mall and the price is a very reasonable \$5.00 for a half hour. They also cater to parties and includes decorations, face paint, glow bracelets and 30 treat bags for those attending the party.

Kelly Roach, a mother of five, said that there was no place for kids on the Northside that was fun and reasonably priced for parents and grandparents to take their children.

She was a former day care worker so Kelly knows how to properly care for children in this environment. Mini golf is easy to play regardless of your age.

The glow in the dark atmosphere helps set the tone for a challenging 9 hole game of mini golf. Kelly's husband, Anthony, constructed the course himself.

Mothers Putter recently moved from Alder Point Road into the North Sydney Mall which allows them more space to layout the course and room for parties and serving.

This coming Grading Day, they will host a Grading Day Party and each player will receive a treat bag and 1 lucky child will win a Summer Golf Pass pass in their treat bag. What a great gift for your child to win. Make sure you check your treat bag when you come in on Grading Day to play.

Starting June 25th, Mothers Putter will be open from 12 til 9:00 pm Monday to Saturday, and 12 - 5 on Sundays You can phone Kelly at (902) 549-3387. They also have a Facebook page.

**CONTEST DRAW** - Kelly has graciously donated 6 passes to help get your Summer off to a good start. Simply answer the skill testing question and your name will be entered into a draw to win one of the 6 passes. **QUESTION** - "Where is Mothers Putter located?."
