### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

**ST. ANDREW'S PRESBYTERIAN CHURCH  
ANNUAL YARD SALE AND BAKE SALE**

The congregation of St. Andrew's is working furiously to get ready for their upcoming Yard Sale and Bake Sale that takes place each year on the church lawn on Queen Street at the end of June. This is an annual fundraiser to help with the ongoing expenses of the church from year to year. It's a congregational yard sale made up of 50 plus families, so you can just imagine what how much stuff will be available to all you Yard Sale shoppers. Every item is individually priced for your convenience, so there is no guessing.

The event will begin at 9 a.m. with tables set up on the church lawn along with a Homemade Bake Table Tent. There will be a large assortment of baked goods made by the congregation members will be available at reasonable prices. If you want to visit the Bake Table don't be late as our delicious baked goods tend to go rather quickly. Also, if you happen to get peckish while you are browsing our many tables then we have hot dogs and pop for sale at a low price.

This promises to be a great yard sale with lots of stuff to pick from, everything from toys to bedding, and everything in between. This is one big family yard sale with very reasonable prices. So why not bring the whole family and see what you can find, you will be surprised at what you might find.

So mark the date on your calendars, that's Saturday, June 29<sup>th</sup> at 9 a.m. on the church lawn. If weather does not permit, it will be held in the church hall. That's 9 a.m. sharp, no early birds please as we need time to set up to make this a great yard sale for you. Bring a friend and don't be late. We have lots of stuff at low low prices.

## Take 2 with PAUL POWER

So, the inevitable always happens-you plop down on the couch to watch Netflix. Then it's the question "what's good?". We all know that there's some real duds on Netflix-but there's also some really great programming too. The secret is to find the good, and not have to waste valuable viewing time on something only to find out that after a half an hour into the show it's "well, that's 30 minutes wasted". I am here to help; I

came across a great new comedy show on Netflix; "**Mr. Iglesias**" stars the extremely successful stand-up comedian Gabriel "Fluffy" Iglesias as a high school teacher who returns to his old stomping ground to help out a class of "academic misfits"-and give back to a place that so dearly needs it. He was on the receiving end of kindness from a teacher who actually cared, so he knows how that can change a kid's life for the better. The school principal is played By Sherri Sheppard ("Marlon", "Ride Along 2", "How I Met Your Mother") with the teachers also played by familiar-faced TV actors, such

as Jacob Vargas as Gabriel's childhood friend, a naive country bumpkin goody good teacher played by Maggie Geha, and the 'seen it all done it all' crusty and jaded teacher portrayed by familiar actor Richard Grant. We also have Oscar Nunez ("The Office") as the 'stick up his butt' administrator and Christopher MacDonald as the forever losing-games football team coach Coach Dixon. However, more importantly here, the

young actors that portray the students are super-good, and each one of them has a particular quirk, or something that sets them apart from the status quo in

the school. But that just makes for good television-with good character development, better stories and funny moments. This IS NOT a kids show, but at most is a bit risqué, rather than crude or obscene. There are also a number of cameos, but this cast is so strong that they steal, and run with the show every time. Each episode also features Gabriel Iglesias's patented impersonations, with his Chris Rock being totally off the charts. So, rather than waste a half an hour on 'who-knows-what' check out the first season of "Mr. Iglesias"-and get a higher education in comedy. Enjoy!

## St. Andrew's Church Summer Bible Camp

The minister Rev. Marion Barclay MacKay and other volunteers are busy preparing for a full week of fun and activities when they kick off the Summer Bible Camp at St. Andrew's Presbyterian Church on Monday, July 8th. This Summer Bible Camp which began back over 80 years ago in the mid 1930's is still a huge hit with kids even today. Each year we see approximately 80 to 100 kids who come from all over the Northside and beyond to spend a week of fun filled activities and make new friends. This Bible Camp is non-denominational and is open to all kids from ages 4 to 12 and is FREE.

Now that school is almost over, kids will want to be entertained throughout the summer months. Well if you are wondering what you could do for a week, then here is the solution for you. Why not join us from July 8th to the 12th this wonderful and exciting Bible Camp. This year's theme is "Mars and Beyond". It runs from Monday, July 8th to 12th from 9:30 a.m. to 12 noon each day. Registration begins at 9:00 on Monday, July 8th. During this week, the children will have sing a-longs, puppet plays, crafts, music, recreation time and a whole lot more. During the day they will have a recess with some homemade cookies and refreshments and at the end of the day they will be given a light snack to go home with.

On Friday we have our wrap up ceremonies beginning with the receiving of certificates and a picnic to follow in the church garden with hotdogs, refreshments and more. Parents, grandparents and family members are invited to come and join us to celebrate our last day together. So bring your child to our Summer Bible Camp and let them have some fun. If you would like to pre-register or if you need more information just contact Rev. Marion at 902-241-2310. So mark your calendars for July 8th at St. Andrew's Presbyterian Church at 643 Main Street in Sydney Mines.
