NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can bene, Dylan

It's a pretty big deal anytime this dude releases a new album-with each one feeding anticipation and excitement. Is that warranted and earned with "**Western Stars**"? Let's say this right up front; "The Boss" had a definite grass roots/working class background-which plays well into the ethos that is Country music. Bruce Springsteen's musical resume also covers the whole concept of storytelling, with words that reach people's heart and soul, for example the same day released album s

"Human Touch" and "Lucky Town". With "Western Stars" Bruce strips back the layers of production, opting for a mix of acoustic guitar, piano and a bit of orchestration to present songs that seem to follow the theme of the open frontier, with its simplicity, and complexity as one digs deeper. The opening tracks, "Hitch Hikin" and "The Wayfarer" both play on the wandering theme-and the open road for new opportunities. The latter has a smooth cello intro that lifts the song up and carries it to a new place for the listener. As for some of the other tracks; "Tucson Train" is just beautiful, almost cinematic in its presentation. "Western Stars" is

pure old school Springsteen, even when dressed up as a Country song—which again proves how close “The Boss” has always been to this genre of music. “Sleepy Joe’s Café” has an up-tempo groove that encourages toe-tapping and finger snapping, and “Sundown” ebbs and flows like a river that’s about to surge at any moment. This is a great song. To be honest though, the majority of the songs here are somewhat somber and reflective.

"Drive Fast (The Stuntman)" is a tale of hard living, with few regrets. The same can be said about "Chasin' Wild Horses" - a subdued tale of wild times.

big dreams and what was lost-but also what was gained. Closing off the album we have "Hello Sunshine"-a tune that has a 'Blues meets Country' vibe that is infectious, and "Moonlight Motel" seems like the end destination for the album's opening track, as the hitchhiking wayfarer makes it home to where he belongs, and where his journey ends. To close, Bruce Springsteen has crafted an absolutely beautiful album here, with rich, deep layers of colour and sonic landscapes that define both the beauty and desolation many face along their personal journey.

St. Andrew's Church Summer Bible Camp

The minister Rev. Marion Barclay MacKay and other volunteers are busy preparing for a full week of fun and activities when they kick off the Summer Bible Camp at St. Andrew's Presbyterian Church on Monday, July 8th. This Summer Bible Camp which began back over 80 years ago in the mid 1930's is still a huge hit with kids even today. Each year we see approximately 80 to 100 kids who come from all over the Northside and beyond to spend a week of fun filled activities and make new friends. This Bible Camp is non-denominational and is open to all kids from ages 4 to 12 and is FREE.

Now that school is almost over, kids will want to be entertained throughout the summer months. Well if you are wondering what you could do for a week, then here is the solution for you. Why not join us from July 8th to the 12th this wonderful and exciting Bible Camp. This year's theme is "Mars and Beyond". It runs from Monday, July 8th to 12th from 9:30 a.m. to 12 noon each day. Registration begins at 9:00 on Monday, July 8th. During this week, the children will have sing a-longs, puppet plays, crafts, music, recreation time and a whole lot more. During the day they will have a recess with some homemade cookies and refreshments and at the end of the day they will be given a light snack to go home with.

On Friday we have our wrap up ceremonies beginning with the receiving of certificates and a picnic to follow in the church garden with hotdogs, refreshments and more. Parents, grandparents and family members are invited to come and join us to celebrate our last day together. So bring your child to our Summer Bible Camp and let them have some fun. If you would like to pre-register or if you need more information just contact Rev. Marion at 902-241-2310. So mark your calendars for July 8th at St. Andrew's Presbyterian Church at 643 Main Street in Sydney Mines.
