### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

Let me start off by saying that any actor who takes over the role of iconic comic book/movie icon “**Hellboy**” after Ron Perlman has some big boots to fill (Literally). Perlman portrayed Hellboy for the first 2 films, but passed this time when Guillermo del Toro wasn’t offered the full writer/director’s chair that he had for the first 2 movies. This time the big red arm is wielded by actor David Harbour (police chief Jim Hopper

from "Stranger Things") and he does a phenomenal job; I doubt any other actor could pull that role off as good as Hopper does here. Fair warning must be given-and spoilers are coming; this movie is bloody, and could be quite scary to some. For this incantation things are kept really interesting, with a new twist on the Hellboy universe, by introducing the viewer to a story line that involves King Arthur and the legendary Excalibur. The evil Blood Queen (played by Milla Jovovich) unleashes a plague on England, until King Arthur uses Excalibur to dismember her-and spread her remains throughout England. Flash forward to modern times where Hellboy is called on by

The Bureau for Paranormal Research and Defense (the B.P.R.D. or BPRD) to take down 3 vicious renegade giants-but that is a ruse to set Hellboy up for an assassination after he kills the giants. He survives (obviously) only to be placed in a situation where in order to kill the resurrected Blood Queen he must use Excalibur, which will lead to his true destiny-to

become the ultimate demon responsible for the end of the world. The Blood Queen wants Hellboy to join her and rule the Underworld-and the rest of the world by playing

on his feelings of being a freak who was almost killed by the very people who created him. Yep, sounds like a TeleNovella for sure. As I mentioned this "Hellboy" movie is very dark, occult-oriented and violent; the demons summoned by the Blood Queen are some of the scariest I've ever seen, reminding one of an H.P. Lovecraft work.

It's true that this movie didn't get much of a welcome from some critics and fans, with lots of online criticisms, but to me you never tell the producer and director how they should make a movie-you get on board for the ride or move over. To each his own-but to me this movie is awesome.

## **St. Andrew's Presbyterian Church Host The Barra MacNeil's HOMETOWN CONCERT**

St. Andrew's Presbyterian Church in Sydney Mines is the place to be this summer. In August they will be hosting the hometown favorite group The Barra MacNeil's once again. For the past three years The Barra MacNeil's have been performing at St. Andrew's Presbyterian Church which is also their hometown and have been putting on quite the show.

The Barra's are a crowd pleaser wherever they go and this year they have decided to return to Sydney Mines to put off yet another great show.

On Monday, August 12<sup>th</sup> at 7 p.m. they will take the stage at St. Andrew's Presbyterian Church to give you a fantastic evening of lively music and you may even see some step dancing. You will hear some of your favorite tunes as well as some new songs that will get your feet tapping and your hands clapping. For nearly three decades, Cape Breton-based family group the Barra MacNeils has been thrilling audiences of all ages, both near and far, with their sparkling repertoire, vocals, instrumental prowess and vibrant showmanship.

This is one show you won't want to miss this summer and it's one you can bring the whole family. Tickets are \$35 each and can be purchased at Sexton's Pharmasave in Sydney Mines or Shoppers Drug Mart in North Sydney or you can Reserve yours by simply calling 902-736-2508.

So mark your calendars, that's The Barra MacNeil's in concert on Monday, August 12<sup>th</sup> at 7:00 p.m. (doors open at 6 p.m.) at St. Andrew's Presbyterian Church in Sydney Mines. Get your tickets early!
