### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

With the long weekend now behind us, and fall just around the corner I thought this CD would be a great soundtrack for indoor parties, or around the campfire; **"Atlantic Standards"** is a collection of Atlantic artists doing Celtic songs fit for "rippin' da roof off da place". When it comes to kitchen parties in Cape Breton though, there are only 4 times a year when you should have them; spring, summer, fall and winter! Given that, you might ask

what's the recipe for a great kitchen party? Good friends, tasty nibbles, lots of 'refreshments' and great music! The Atlantic Standards CD series has been offering up great music for some time now, and this collection will not disappoint. The album starts off with The Rankin's "Christy Campbell Medley", then kicks into high gear with Great Big Sea's 'Celtic meets Red Bull' song "Mari-Mac". I've played this one at dances and the result is always flying feet on the dancefloor. If that wasn't enough, "Whole On It" by New Glasgow's Fleur Mainville was a pleasant surprise, and does indeed raise the roof as well. That romping, stomping party vibe is obviously the themen here, with songs like "Colleen" by Rawlins Cross, Shanneyganock's "Courtin' In

The Kitchen" and "Donald MacGillivray" by The Navigators-your feet will be begging for a break!

As the CD cover illustrates, the fiddle is an integral part of most kitchen parties, and it's well represented here in instrumental form by numbers from Samantha Robichaud, Gillian Boucher, Natalie MacMaster and Chrissy Crowley. When it's time for the fiddlers to take a break, a

c a p p e l l a numbers fill in beautifully; 2 of the best ever written on the east coast are included here; the Barra

M a c N e i l s

"Coaltown Road" is a personal favourite of mine. I remember being at an outdoor concert on Pitt Street in Sydney Mines one evening and when the Barra's broke into this number it was a goosebump moment, with the old pit site across the road from the ballfield. Many people were touched by that same sentiment.

Even across the pond in the U.K. they know Stan Roger's signature song "Barrett's Privateers" well. The version here is performed by The Irish Descendants, and it comes pretty darn close to being as good as Stan's iconic version, so if you like Stan's, you'll like this version. This CD is great for parties, and many a tourist would love this musical taste of Atlantic Canada.

She's been modelling since she was 5 years old. She has won three Awards - her name is Sanae Loutsis.

And she is cast as Ashley Jarvis in Friday the 13th Vengeance film. Loutsis has also acted with actor Frankie Muniz best known for Malcolm in the Middle. Agent Cody Banks, Big Fat Liar. In the movie The Black String, she is also the movie called Beloved Beast with Tabitha Bastien who is also in Friday the 13th Vengeance.

Loutsis is also the movie "The Parish" with Bill Oberst Jr.

As mentioned last week, Friday 13th Vengeance will be released September 13th Friday the movie is going towards a worthy cause to support Kickstarter's and also to support a Shriners Hospital for disabled children. Jeremy Brown director of the film said we are not expecting a fancy paycheck we're doing this for the fans the fans will also be able to watch the upcoming fan film on YouTube. I also have the pleasure of speaking with Donny Most who is best remembered for playing Ralph Malph on Happy Days.
