Unlike the conventional methods of rust proofing which tend to work as coating, a KROWN treatment actually displaces moisture and creeps into the inner metal fold of the vehicle - the areas where the most rust problems start. The KROWN formula remains active as an invisible barrier to repel moisture and salt and prevent it from re-entering the metal. The KROWN product can be applied in any season and weather.

NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

I will say right up front that I am a huge fan of everything Seth Rogen and Evan Goldberg produce-so when I first heard about the movie **"Good Boys"** I knew I had to see it-and I did recently. Now fair warning has to be given out-this movie is crass, rude and not for kids, even though it's about 3-sixth grade boys who want to learn how to kiss girls properly. If you have tweens this is the movie they're going to want to sneak in to see-the same can be said for 'im mature' grown-ups as well. LOL. The movie was shot

in Vancouver, and the story was actually written by Gene Stupnitsky (he also directed) and Lee Eisenberg and tells the tale of best friends Max, Lucas, and Thor who are dealing with personal and family issues, but when opportunity arises with an invitation to a kissing party Max goes into overdrive when he finds out his crush Brixlee will be there. The boys hatch a plan to use a drone to spy on the teenage girl next door to learn all about 'the birds and the bees'. So what happens next? Let's just say it involves the drug ecstasy,

2 women chasing them down to retrieve drugs, multiple car crashes, a high priced sex doll, punk drug dealers, cops, puke, lots of cursing, sex toys and mass chaos. Again, viewer beware. As mentioned earlier, I've seen everything Seth and Evan have done-and loved it all. So when I tell you that at times this movie even made me go "oh my God", and that says a lot....and funnily enough when the movie was over there was a mom there that had a group of kids with her, and walking out of the theatre she said "I

am so going to Hell." That was a funny bonus. Without giving too much more away, the

movie climaxes with a school performance of the musical "Rock of Ages", some surprise twists for the boys, and a sort of passing of the ways-with childhood bond and memories still strong. They were actually fairly emotional moments to watch. There have been a lot of comparisons to the movie "Super Bad", and that's pretty spot on for "Good Boys". So if you like your comedy raunchy, with a side dish of touching and warmhearted moments then this movie is for you.

Last week was another great week for Friday the 13th Vengeance interviews and other interviews as well. Last week I had the pleasure of speaking with Luke Schuck who plays Robet Thompson in the movie, Laura Ellen Wilson as Trinity Reinhart in the movie.

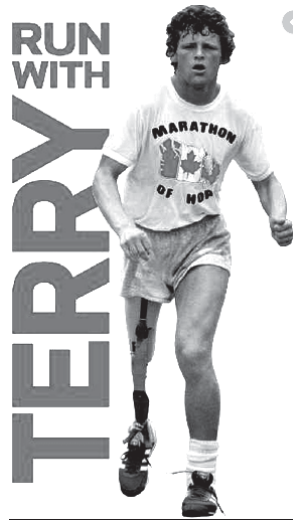

Tom McLaughlin director of Jason Lives and who also made appearance in the upcoming Friday the 13th Vengeance film. I also spoke to a very young lady who is going to be in the movie and although she's only 15 years old you could say this is my very first young Actress star I have ever interviewed. She's been modeling since she was 5 years old. She has won three Awards - her name is Sanae Loutsis.

And she is cast as Ashley Jarvis in Friday the 13th Vengeance film. Loutsis has also acted with actor Frankie Muniz best known for Malcolm in the Middle. Agent Cody Banks, Big Fat Liar. In the movie The Black String, she is also the movie called Beloved Beast with Tabitha Bastien who is also in Friday the 13th Vengeance.

Loutsis is also the movie "The Parish" with Bill Oberst Jr.

As mentioned last week, Friday 13th Vengeance will be released September 13th Friday the movie is going towards a worthy cause to support Kickstarter's and also to support a Shriners Hospital for disabled children. Jeremy Brown director of the film said we are not expecting a fancy paycheck we're doing this for the fans the fans will also be able to watch the upcoming fan film on YouTube. I also have the pleasure of speaking with Donny Most who is best remembered for playing Ralph Malph on Happy Days. I also interviewed Roberto Lombardi who is cast as Freddy Krueger in Kruger the Tales of Elm Street. I also interviewed actor Brandon Maggart who was cast as Harry Stadling in the 1981 horror film Christmas Evil and last but not least, I also had the pleasure of speaking with Mary Bridget Davies who does an outstanding performance as Janis Joplin in the musical A Night with Janis Joplin. ... and there you go now you're up-to-date - I'm Jack Cool
