Unlike the conventional methods of rust proofing which tend to work as coating, a KROWN treatment actually displaces moisture and creeps into the inner metal fold of the vehicle - the areas where the most rust problems start. The KROWN formula remains active as an invisible barrier to repel moisture and salt and prevent it from re-entering the metal. The KROWN product can be applied in any season and weather.

NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

NORTHSIDE FESTIVAL OF CAROLS SERVICE

On Sunday, December 1st at 7:00 p.m. St. Andrew's Presbyterian Church in Sydney Mines will open their doors to host the 40th Anniversary of the Northside Festival of Carols Service. This Festival of Carols was started at St. Andrew's Presbyterian Church 40 years ago with other church choirs on the Northside area being asked to join in to sing a selection of well known Christmas Carols. Each year a different church takes it's turn in hosting this fabulous night of music and people from all around come to hear wonderful

Christmas Carols. Our 40th Anniversary Celebration is going to be a very special one. It will be directed by Mr. Reid Moore and will feature the Cape Breton Chordsmen and other special guests, so you won't want to miss it. This night of beautiful Christmas music is open to everyone and costs nothing to enjoy, admission is FREE. It's a celebration to bring communities and churches together to sing well known Christmas tunes to begin the Christmas Season. So won't you join us with your families for The Northside Festival of Carols on December 1st at 7:00 p.m. at St. Andrew's Presbyterian Church, 643 Main Street in Sydney Mines.

At this special time of the year, please contribute to your local Food Drives for those families who cannot afford to feed their families - help make it a Merry Christmas this year

Take 2 with PAUL POWER

I wanted to squeeze this album review in before the end of this month for 2 reasons; it came out a month ago, and more importantly it's by a Beatle. For anyone out there who's taken potshots at Ringo Starr over the years I have a piece of advice for you-smarten up, and lighten up. There are only 2 Beatles left for God's sake, and for all intents and purposes Ringo Starr is the most well-adjusted, likeable and

well-grounded one of the two. Ringo turned 79 this year and he's still rocking and rolling with this-solo album number 20. The title track, and lead single "What's My Name" (with the return answer chant of "Ringo" in it) is a rocking good time number that was written by Colin Hay (Men At Work) and Ringo's brother-in-law Joe Walsh (The Eagles) shows up on the old school funky-thumpin' boogie woogie rock number "Gotta Get Up To Get Down". The song has a great modern-day relatable message in it. The biggest news on the album is

Ringo's cover of John Lennon's touching and sentimental song "Grow Old With Me" that has Sir Paul McCartney on bass and backing vocals, and the album also features a funky reworking of the 1959 song "Money (That's What I Want)" which was also covered by The Beatles. Ringo's play with auto-tune on his vocals actually gives the song a neat update. Ringo had other friends and musicians lend a hand here too- The Eurythmics Dave Stewart co-wrote the cool tune "It's Not Love That You Want" and Steve Lukather (Toto) helps out on "Magic".

Other tracks such as "Life Is Good", "Send Love Spread Peace" and "Better Days" are all good numbers that add to Ringo Starr's back-catalogue of listen-worthy songs. Some critics offered less than complimentary reviews of Ringo's latest effort; I say you have to take this album for what it is-a fun and entertaining effort that some self-important navel gazers relish sucking all the pleasure out of. My final words? Heck, let's admit it-Ringo Starr is rock and roll royalty-and on this album he holds royal court in a majestic fashion. Enjoy!
